

# THE MID EUROPE FESTIVAL

JULY 9-16, 2018

You are invited to bring your band to the 2018 Mid Europe Festival for Wind Music in Austria. More than 40 ensembles, with about 2,500 musicians from all over the world, will attend and perform in the Austrian alpine resort town of Schladming.

# THE SETTING

## THE FESTIVAL

The Mid Europe Festival for Wind Music was created in 1998 by Dr. Wolfgang Suppan, past-President of WASBE (World Association of Symphonic Bands and Ensembles). It is considered to be the largest wind music festival in all of Europe. Besides the breathtaking views of Austria's Planai and Hochwurzen mountains as seen from the Alpine village of Schladming, the festival will provide your band with the opportunity to hear wind music performed by musicians from around the world. Your band's own concert performances will be attended by audiences who expect outstanding musicianship and enjoy inspiring music. The festival is a blend of performances and educational opportunities and also gives your musicians the chance to interact and connect socially with musicians from around the world. The groups attending the festival will have opportunities for formal, open-air, late night, and church performances. A highlight of the Festival is Lange Nacht der Musik (Long Night of Music). This night features a marching band show, a candle lit parade and then a night full of concerts from five different stages.

## THE CITY :: Schladming, Austria

Schladming is a small Austrian town that is situated at the base of the Planai and Hochwurzen mountains. It was formerly a mining town but now is a favorite town for tourists. For more than 100 years Schladming has been a popular destination for alpine sports during the winter and for mountain hiking in the summer months. In the summer months the town is also a cultural center because of its music, both classical and popular, and for its literature and fine art. For nearly 20 years Schladming has been the host of the Mid Europe Festival for Wind Music.

## THE ORGANIZERS :: Perform International

*"Building Bridges and Transforming Lives through the Power of Music"*

- We design and create rewarding performances as well as educational and cultural immersion opportunities by building and maintaining relationships with domestic and international musicians and music education organizations.
- We partner with concert venues, publicity teams, airlines, hotels, and tour guides to plan and implement operational methods that enhance rather than distract from the artistic experience.
